Advantages to Invest in Clark Pampanga

Clark's advantage over other special economic zones (SEZ) is its disaster-proof location. The zone is 130 meters above sea level, surrounded by mountain ranges, and is far from active fault lines, making it one of the safest areas in the Philippines. Visiting Clark is highly convenient and accessible.

Available Fiber Internet Service Provider in the area.

Our Server Room features
Brand-New Belden Cat6 Certified
Wires and Panduit I/O Ports &
Raise Flooring
